

Dear Community,

I want to express my deepest gratitude to all of the generous people that helped make our Christmas wonderful this year.

I am still in awe at the kindness of others. To say thank you would just not be enough. I don't think I have the words to accurately describe my feelings.

If you could have seen the joy on my children's faces, you would then know just how much you have done.

Thank you again from the bottom of my heart.

As a family we will pass the joy of giving on in the future.
