University Sunrise Rotary Announces Event Sponsorships Are Available

Debuts & Discoveries  
Benefitting Friends of the Children  
Saturday, March 17, 2018, 5-9 PM  
Building 30  
Warren G. Magnuson Park

The University Sunrise Rotary Club of Northeast Seattle is seeking sponsors to help fund an event on March 17, 2018. The event, called Debuts & Discoveries will directly benefit the organization, Friends of the Children. The tasting event will feature wine, microbrews, spirits, hard cider, food and live music. Corporate Event Sponsors are able to select from different sponsorship levels and will find their contributions recognized in publicity materials for the event including the University Sunrise Rotary Club website, a special Facebook page, event invitations, event brochure and during the event itself. Please refer to the description of various sponsorship levels on the attached page.

Friends of the Children provides intensive, long-term professional mentoring to vulnerable children—those who face the greatest risks of school failure and dropout, incarceration and teen parenthood—and support them in completing high school on time with a plan for post-secondary education. The Friends organization selects children for the program who live in high-risk environments in low-income neighborhoods in the Seattle area and may be struggling in school because of significant challenges that impact their families' lives. The Friends organization accomplishes significant change in these young lives through: 1.) long-term professional mentoring (from Kindergarten through High School graduation); 2.) family engagement and support; and 3.) support for school success and a growth mindset. Proceeds from Debuts & Discoveries will enable Friends to help more at-risk children.

We hope your answer to this appeal will be an emphatic YES. If so, please complete the form on the reverse side of the page and submit with your payment to:

University Sunrise Rotary Foundation  
PO Box 15131, Seattle WA 98115
